

Smith & Shedd Family Pet Hospital Grooming Consent

Client's Name: _____ Pet's Name: _____

Breed: _____ Circle One: Dog Cat

Parasite Policy: Pets admitted to our facility must be free of internal and external parasites including intestinal worms, fleas, ticks, and mites. **All** pets will be treated with Capstar, an oral flea preventative that is safe to use, even if any other topical flea preventative has been given. If other parasites are discovered, your pet will immediately be quarantined, and you will be contacted for consent of treatment of said parasites. If treatment is declined, you are required to make immediate arrangements to have your pet removed from our facility. Treatment will be administered according to normal standards of veterinary care and these additional charges will be added to your bill, in the event you cannot be contacted within one hour of discovery of these parasites.

Capstar:
\$4.85

Initial: _____

Vaccination Policy: In order to protect the health of your pet, all pets being admitted to Smith & Shedd Family Pet Hospital are required to be current on all vaccinations. It is your responsibility to provide current records of vaccinations. If any of your pets' vaccinations are past due, they must be inoculated before being groomed, and these additional charges will be added to your bill. Pets that are so young that they have not completed their entire series of vaccinations may not yet be protected and, thus, owners accept any risks of infection.

Initial: _____
